Page 7 [Assessor] – everything looks good.

Page 8 [Legal/Audit/Computer] – everything looks good although the \$8,000 in 101-210.000-808.000 [Computer Services] may be on the high side. This is a line item that can be shaved back if needed.

Page 9 [Clerk] – everything looks good.

Page 10 [Board of Review] – 101-247.000-860.000 [Transportation] increase to \$600; 101-247.000-957.000 [Conference/Workshops] increase to \$1,000. Everything else looks good.

Page 11 [Treasurer] – Everything looks good.

Page 12 [Building and Grounds] – everything looks good although the \$10,000 in 101-265.000-974.000 [Land Improvements] and the \$5,000 in 101-265.000-980.000 [Equipment/Capital Outlay] may be on the high side. These are line items that can be shaved back if needed.

Page 13 [Ordinance Enforcement] – 101-301.000-860.000 [Transportation] increase to \$2,000. The \$8,000 in 101-301.000-980.000 [Equipment/Capital Outlay] is for court costs/demolition of dangerous buildings; however this should be moved to a more appropriate general ledger number.
