### **ACTIVITIES:**

We had an officer meeting at Station 2 on December 30, 2019. We reviewed our calendar for this year. It was agreed to have some of our training meetings on Saturday mornings to give a bit more time to complete training and hopefully increase attendance.

Joe Hruska accepted stuffed animals from the 'Teddy Bear Project'. The donated teddy bears are carried in our pumper and are available for children who are dealing with emergency situations.

Respectfully submitted,

Fire Chief Jeff Iverson
